

North East Derbyshire Project

Supporting people with a visual impairment
in North East Derbyshire with:

- **Practical and Useful information** on sight loss
- A wide variety of **Activities & Social Groups** in Chesterfield, Clay Cross, South Normanton, Shirebrook, Bolsover, & Dronfield
- **Eye Health Awareness** at events and talks

The difference we have already made.....

- “Coming along to the social groups and meeting new friends has made me feel less isolated, now that I can’t see much”
- “I’ve found out about gadgets and what help is out there that I didn’t know about before”

Would **YOU** like to be part of the Project?

- Do you know someone who is visually impaired and would like to take part in the groups and activities?
- Would you like to find out more about what we do?
- Would your organisation like more information about our services?
- Would you like to support us as a volunteer?

If so, please **Contact Us** for a friendly informal chat on:
